

# APPplay\_CARplay & Android Auto kit Alfa Romeo Infotainment 6.5" & 8.8" (RGB)

Art. Nr: CP-ALF-G1PV

Upgrade your **Alfa Romeo** and Experience wireless CarPlay & Android Auto without compromises – while retaining all original vehicle functions.

APPplay, our smartphone solution, support wireless Carplay & Android AUTO inegration to your existing multimedia system. You can run the most popular apps from your Phone (such as Spotify, Google maps, Waze, Whatsapp and more) with control everything via your original steering wheel & iDrive just like factory-installed systems.

In addition it allows you to mirror your Smartphone, add Front and Rear camera and USB playback.
