

TESA Electric insulating tape PVC - black 15mm_10 meter

Art. Nr: CA-TAP-P15TB

DESCRIPTION

The tesaflex PVC insulation tape 53988 is highly flexible and provides great adhesive strength. It is suited e.g. for insulating and marking wires.

Features

- Certified according to IEC 60454-3-1 (VDE, IMQ, SEMKO), VOC-certified, RoHS 2.0 and REACH conform
- Thick backing material (150 µm)
- High dielectric breakdown voltage (7.000 V)
- Heat-resistant up to +90° C
- Available in many different colors and dimensions

Sizes

Length: 10meter

Width: 15mm

NOTES

- Protect tape from exposure to direct sunlight.

-
