

iVOLT Pro Battery pack_7,500mAh_96Wh_Hardwired (BAB95)

Art. Nr: TWA-BAB-95

iVolt Xtra BAB-95 External Battery delivers high performance, more power, and increased durability to make your Thinkware Dash Cam's Parking mode last even longer.

The iVolt Xtra is encased in an elegant aluminum body that lends it a modern and sophisticated look, and comes with a user-friendly Bluetooth companion app to keep you informed of its state of charge.

Features:

Input Voltage / Current:

1. Standard Charging: 12.0 V -15.5 V / Max 6.5 A
2. Fast Charging: 12.0 V -15.5 V / Max 13.0 A

Output Voltage / Current:

1. Dash Cam: 11.0 V – 14.2 V / Max. 2.0 A
2. USB: 5.0 V / Max 2.0 A

Charging Voltage / Current:

1. Standard: 14.2 V / Max 4.5 A
2. Fast: 14.2 V / Max 8.5 A

Charging Time (Approx.):

1. Standard: 100 minutes
2. Fast: 55 minutes

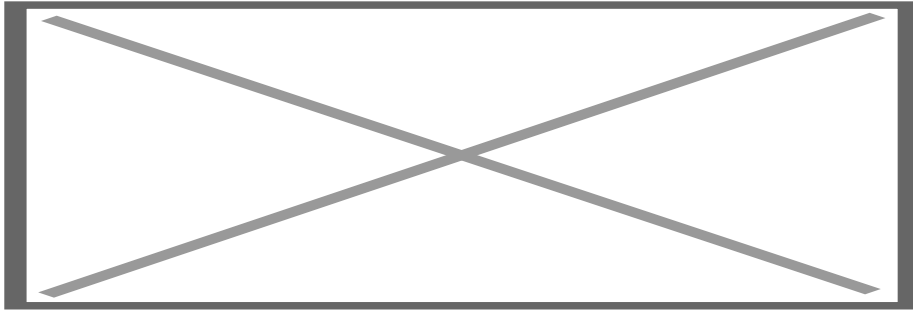

Usage Time (Approx.):

1. 2ch Parking Mode: 27 hours
2. 2ch Energy Saving Mode: 960 hours

Battery: LiFePo4 (Lithium iron phosphate)

Battery Capacity: 12.8 V 7500 mAh

Standby Time

Note: Times are ideal and actual run time may vary.
