

Truck-Trailer set for 1 cameras - screw lock DIN

Art. Nr: SL-CA-TR1CH

Solid, detachable cable/connector set between tractor and trailer for 1 cameras.

This set contains 3 parts: 1CAMSOCKET-M (tractor side),
CURL-E coil cable and 1CAMSOCKET-F (trailer side).

In order to mount this set as complete system it is important to choose the optional
required cable length in advance: STANDARD cables on tractor side
and EXTENSION cables for the trailer side.
