NOTES

- Android phone tend to have 2 different battery charge settings: Optimized & Fast. APPplay DOES NOT provide fast charging. To use Android AUTO without battery drain, it is recommended to get a wireless charging pad.
- The audio output from the APPplay must be connected with the media source of the car, for example with AUX input, AMI input or USB (AUX2USB adapter) to hear the sound of the APPplay module through the car speakers.
- Installing this product will not require any coding.
- Installing this product will not voided the Warranty of the car.

REQUIREMENT

| | |
|---------------------------------|---|
| AUDIO OUTPUT | This kit included AUX2USB adapter to support audio input via the original USB input |
| VIDEO OUTPUT | Video goes via LVDS |
| CONTROL | You can control CARplay & Android AUTO via the original Command controller |
| SCREEN | Interface is compatible with 7.0", 8.0", 8.4", 12.4 & 12.4" DUAL |
| OPEN HU | Not need to open the monitor |
| FRONT CAMERA | The front camera input will automatically switch after leaving the reverse gear. You can set the display time in seconds via the OSD menu (1-15 sec). It is also possible to select the FRONT camera input manually |
| OEM REAR CAMERA | The interface does switch back automatically to the OEM rear camera input when the reverse gear is engaged (with auto gear box). |
| GUIDELINES | Static & iPAS lines are available via the interface OSD menu |
| iPAS | iPAS option is available when the car has original pdc option (moveable grid lines) |
| PIP | PiP option is available for original parking sensor overlay (Picture in Picture) |
| REAR SELECT CAMERA INPUT | Interface will respond on CAN for cars with auto gearbox. When manual gear box please use the rear detection wire. |
| INSTALLATION | We recommend that the installation will be performed by a qualified specialist |
| EXTRA NOTE | Interface will only switch automatically in reverse to the 360 camera when installed. In all other gears you need to do it manually. Mercedes SLC (R172) is not compatible |
