General:

This reversing camera is specially dedicated for VAG vehicles. The inconspicuous, robust camera with Sony CCD lens simply replaces the trunk release handle. Just easy remove the existing trunk release handle and replace it with the reversing camera. The camera is complete including plug and play cable kit which allows easy plug and play installation. The camera is waterproof according to the IP67 certification level.

Features:

- 1/3" SONY CCD lens
- 600 TV lines
- Lens angle 170 degrees
- Waterproof according to IP67 certification level
- Black Light Compensation
- Display in mirror image
- Automatic color correction

The following is provided in the set:

- Audi reversing camera NTSC
- Video extension cable 5 meter (RCA)
- Installation manual
- Invoice
- Warranty

Additional information:

- With a multimedia interface or video interface it is possible to connect the camera with the original navigation system, ask for the possibilities.
- Concerns a high-end SONY CCD lens, so no cheap CMOS lens
